

# The TRUTH about PLASTIC

(well, some of it)

An evening of speakers, film and discussion answering some of your big questions about plastic pollution – and what we can do about it

Wed 24 October, 7.30pm  
stalls open from 6.30pm  
Lewes Town Hall

Should the supermarkets be doing more to cut out plastic?

What can I do to help?

What plastic can we really recycle – and what happens to the rest?

Who are the biggest polluters?

Is compostable plastic the answer?
